USA, Oregon: Asian and Pacific Islander (2013–2017)
Average annual person-years by sex and age group

SOURCE OF POPULATION

Postcensal county estimates by age, sex, race, and ethnicity at the 1 July mid-year point. Based on the 2000 national census carried out by the United States Census Bureau, including the bridged single-race estimates derived from the original multiple-race categories.

NOTES ON THE DATA

*Rates based on low numbers due to small population.
